

2021 MCB Gift Drive to Support

Cradles to Crayons

Established in 2002, Cradles to Crayons' mission is distributing clothes and other essentials to disadvantaged children in Boston and other cities.

Gift donations should be dropped off at the collection boxes

in the BioLounge in BioLabs
and the Admin Lounge at
38 Oxford Street

by Friday,
December 10

These items are most needed:

- **Winter Coats**

New and nearly new winter coats in all children's sizes (from newborn to adult medium), and Cradles to Crayons says that they especially need coats in kids sizes' 10/12 (children's L), 14/16 (adult S), and 18/20 (adult M).

- **New Pairs of Socks**

- **Monetary Donations**

Anyone interested in making a financial donation to Cradles to Crayons should reach out to MCB Administrative Coordinator Kelsey Cox, who is managing the gift drive this year, at kecox@mcb.harvard.edu.

Thank you for your support!
